PROFESSIONAL SUMMARY

Computer Science diploma student with hands-on experience in Android app development (Kotlin, Firebase), web development (Adobe Dreamweaver), and database systems (MySQL). Built 4+ end-to-end projects spanning mobile applications, e-commerce platforms, and database systems. Seeking an internship in software or mobile development to apply and grow technical skills in a professional environment.

EDUCATION

Diploma in Computer Science

University Poly-Tech Malaysia

Aug 2024 – Present

Sijil Pelajaran Malaysia (SPM)

SMK Segambut Jaya

Jan 2019 – Mac 2024

PROJECTS

Sushi King Mobile Application

Final Year Project 2026

Dec 2025 – Apr 2026

- Developed an Android-based restaurant mobile application to enhance the dining experience by enabling menu browsing, table reservations, and food ordering in one platform.
- Technologies Used:** Android Studio, Kotlin, Firebase

Student Daily Task Management

Group Project – Application Development

Dec 2025 – Apr 2026

- Built a mobile application to help students organize daily tasks, monitor progress, manage class schedules, and set reminders, with timetable and profile management features to support productivity.
- Technologies Used:** Android Studio, Kotlin, Firebase

Aura Sports Website

Group Project – Web Application

Aug 2025 – Nov 2025

- Developed an e-commerce website enabling users to browse and purchase sports products, including footwear, apparel, and accessories, with organized product management and an accessible user interface.
- Technologies Used:** Adobe Dreamweaver, MySQL, XAMPP

Buzz Electrical

Individual Project – Database System

Aug 2024 – Nov 2024

- Designed a database system to manage customer, product, and order information for an electrical appliance store, supporting organized inventory, customer records, and purchase transactions.
- Technologies Used:** MySQL

SKILLS

Technical Skills: Java, Kotlin, MySQL, Firebase, Android Studio, Adobe Dreamweaver, OOP, Database Systems, Web Development

Soft Skills: Problem-Solving, Teamwork, Communication, Adaptability

Languages: Bahasa Melayu (Fluent), English (Intermediate), Mandarin (Beginner)

CERTIFICATIONS & ACHIEVEMENTS

- Cisco Networking Academy – Introduction to Networks
- Dean's List (0824)
